Calling all model railroad enthusiasts, engineers, and entrepreneurs! The [South Bay Historical Railroad Society](#) is pleased to welcome ScaleTrains.com to the Santa Clara Depot. Join SBHRS members and guests for a rousing evening and informative presentation by ScaleTrains.com founders **Shane Wilson** (President), **Mike Hopkins** (Vice President of Product Development), and **Paul Ellis** (Executive Product Development Manager).

Launched in 2015, [ScaleTrains.com](#) is an innovative manufacturer of HO and N scale locomotives, freight cars, and vehicles, started by a team with more than 125 years experience in the model railroad hobby and industry.

Join members and guests at the first installment of our *SBHRS Manufactures Roundtable* to learn how ScaleTrains.com is poised to take the model railroading world by storm.

Come hear [ScaleTrains.com](#)'s team of founding "envelope pushers" speak to how they discovered ways of manufacturing new models, a process with the potential to revolutionize the model railroading industry.

Following the presentation, join Shane, Mike, and Paul will in the train room to see their latest models and products on the SBHRS's impressive N and HO scale layouts.

Light food and refreshments will be served throughout the evening.
